This list does not include “super special invited riders”. There are **open spots** in addition to the names listed above. All invited riders must register by 9am. If you are invited and do not registrar by 9am **YOUR SPOT BECOMES OPEN.**

There is a “competition” for the “open” spots. Limit: 20 competitors for open wakeboarding spots, 10 for wakeskating. Any person wanting to enter for an “open” spot must register before 9am.

Some exception might be made to allow participation, but not in the competition for cash.

EVENT LAYOUT

After all spots are filled a golf type skins match will begin. There will be a minimum of 3 obstacles in the water at one time. Obstacles will vary from A-Frame sliders to Jump ramps.

Skins match explanation:

Imagine a “skin” being a token redeemable for a predetermined cash amount. (i.e. 1 skin = \$200.00)

All riders are required to hit a specified obstacle a predetermined number of times. Whichever rider does the best on that obstacle, during that skins match, wins that skin. There will be skins matches on all obstacles multiple times. Skin values will be determined at time of event (more advertisers/sponsors = more cash for each skins match).

Judging will be done by the riders. During a wakeboard skin, a random selection of wakeskaters will judge the skin. During a wakeskating skin, a random selection of wakeboarders will judge the skin.

All invited riders, and riders trying for open spots will be required to donate \$35 (please bring cash, no other forms of payment will be accepted). This money goes towards your t-shirt, cost of event, and donation to a charity to be determined.
